SOLDIER EMPLOYMENT

LOCAL COMMITTEE FORMED TO AID MEN RETURNING FROM ARMY CAMPS

Mrs. Arthur Brown, head of the Home Service Department of the Glendale Red Cross Chapter, has been exceedingly desirous that some local organization be formed to aid in finding employment for returning soldiers. J. C. Sherer, City Clerk, was appointed by Federal authorities some time ago to represent them and he is listing all applicants for work and forwarding them to the Federal headquarters in San Francisco, but it seemed desirable that a local committee be formed to co-operate with him and bring local employers and soldiers together. Such a committee has finally been appointed to consist of T. W. Watson, City Manager; Ezra Parker, Ben Wilde and Wesley Bullis, who will work in co-operation with Mr. Sherer. Under the present plan, all soldiers seeking work will be directed to file cards of application at the City Hall with Miss Wilson or other clerk on duty there, those seeking help to register in like manner. Or by calling up the City Hall on the telephone, Glendale 1300, applications either way can be registered by Miss Wilson.

Ezra Parker, a member of the committee, has quite definite ideas on how Glendale could put herself in a position to aid unemployed soldiers. He is anxious that no soldier should suffer hardship. We have our home service department in connection with the Glendale Red Cross Chapter with funds available for meeting the needs of soldiers and their families. No one regards the help given by that department in the light of a charity after what the soldiers have done in giving up their jobs and entering the army or perhaps crossing the seas and fighting the Hun face to face. He feels that we owe these men anything reasonable that we can give them and he also feels that these men should understand that money is available for any loans they need to tide them over the interval of adjusting themselves to civil life.

Also, he urges the need of securing enactments through the legislature at Sacramento which will enable municipalities like Glendale to levy a special tax, the proceeds of which shall be used for public improvements which would furnish employment to returned soldiers. Nothing short of a tax would equally distribute the responsibility. He considers this would be a practical solution in towns like ours where no work can be created without a fund to finance it. At the same time there are plenty of improvements which need doing and citizens would get back the full value of their expenditures.

He evidently thinks it would be a good subject for debate with Assemblyman John Robert White at the next meeting of the Greater Glendale Development Association.

ELKS' BOWLING MATCH

There was great interest in the bowling match that was pulled off Thursday evening at the Elks' Club when two teams from the local club competed for honors. About a hundred and fifty rooters were present to encourage their favorites. The drill team five defeated the Upletts, who intend to retrieve their lost prestige in the next game.

Following the match, lunch was served and there was dancing and a good, social time. The drill team five consisted of Stone, Ward, Fortunato, Chambers and Duke while Huesman, West, Fish, Apfell and Hearnshaw made up the Upletts five.

CONGRESS AT FRISCO

GOVERNOR APPOINTS DR. WILLISFORD DELEGATE LEAGUE OF NATIONS GATHERING

Rev. E. H. Willisford of this city has been advised by Governor Stephens that he has been appointed a delegate to the Pacific Coast Congress for a League of Nations, which is to meet in San Francisco February 19th and 20th.

This is one of a series of congresses to be held in different parts of the United States to promote and explain the purposes of the League of Nations, a work in which ex-President Taft is in hearty sympathy and which he is pushing.

The list of speakers at the congress includes: Governor Stephens, ex-President William H. Taft, Archbishop Edward J. Hanna, Dr. Charles R. Brown, Rabbi Martin A. Meyer, Mrs. Philip North Moore, president of the American Council of Women; Frank T. Walsh, former chairman of the War Labor Board; Dr. A. Lawrence Lowell, president of Harvard University; Edward A. Filene, Dr. Charles C. Moore; Henry Morgenthau, former Ambassador to Turkey; Rev. Henry Van Dyke, formerly Minister to the Netherlands; George Grafton Wilson, a professor in Harvard University; Dr. T. F. Hunt, of the University of California.

Dr. Willisford does not yet know whether he can serve as a delegate or not. He would be very glad to attend as he fully approves the League of Nations.

MOUNT WILSON PARTY EXPECT WINTER WEATHER

A party of Glendalians left early this morning for the ascent of Mount Wilson, in expectation of returning this evening. It included Robert and Donald Stone, of 301 East Chestnut street, their cousin, Lieutenant Young, who is a guest in the Stone home, T. J. Trull and his daughters, Louise and Esther Trull, of Kansas, who are here for the winter and residing on Windsor Road, and their friends, Mr. Scott and daughter, also from Kansas, who are living on Cedar street. They are hoping to find snow on the mountain and a taste of good old winter conditions back East.

MUST BE A CHANGE

HEAD OFFICIALS MAKE NO EFFORT TO LEARN GLENDALE'S NEEDS

In behalf of the citizens of the Glendale community it is up to the Greater Glendale Development Association to get busy and get to the bottom of the cause of the poor mail service in Glendale and to points through the main Los Angeles postoffice.

There are conditions existing that should be straightened out if the men responsible for the poor service can be reached.

The trouble as it appears on the surface is the lack of the head postoffice officials in Los Angeles being aware of the real true conditions as to the poor mail service in Glendale, and, strange to say, these men whose duty it is to know about the conditions make no effort to learn what is needed to make it possible to give better service in this city.

In the first place some one in the postoffice department is allowed to contract for a postoffice room that has less than half the floor space needed to give good service to more than 12,000 people. In the second place, the mails should not be received through the front entrance of the building on a truck that fills almost the entire narrow lobby causing great discomfort to patrons who are in this little passage way attending to legitimate business.

Third—At least three windows should be open during the regular hours of service, and clerks should be provided to give service at these windows. Efficient and accommodating men should be appointed to fill these positions.

The receipts of the Glendale branch postoffice certainly justify the giving of good service, and who is there in authority that will oppose doing the fair thing for an enterprising and intelligent people such as are the patrons of the Glendale branch postoffice?

Fourth—The plan of making deliveries of mail through the business and residence portion of the city can be greatly improved. It is now conducted mainly for the convenience of the carrier instead of the patrons. A second delivery is made in some sections of the city seemingly at the discretion of the carrier. To an outside observer it would seem that there is a lack of competent executive authority, and a red tape system is given greater recognition than a practical business method of giving the people good service.

There are, of course, many efficient and accommodating employes connected with the branch postoffice who are not personally responsible for the poor service given by the office in a general way. We feel sure that these employes stand ready to assist in bettering the service.

PLAN BIG BALL

Mrs. Warren Roberts, who is general chairman of the Eastern Star ball that is to be given at Masonic Temple, Saturday evening, March 1st, has appointed the following committee to assist her in arrangements for the evening: Mrs. Mary Garnet Pollock, Mrs. Sallie C. Braden, Miss Harriett Nichols, Mrs. Orma Vesper Naudain, Warren Q. Roberts and Mr. and Mrs. Daniel Campbell. Plans are already under way for decorating the hall, and during the dance intermissions there will be a musical treat for the guests.

PRESIDENT WILSON SAILS FOR U. S.

BILLS TO BE SIGNED, APPOINTMENTS TO BE MADE, AND POLITICAL PLANS WILL KEEP HIM VERY BUSY

(Special Service to Glendale Evening News)

Brest, France, Feb. 15.—The "George Washington," carrying President Wilson back to the United States, sailed from Brest at 11:15 o'clock this morning. But little demonstration marked the departure.

When President Wilson reaches the United States he will find a week of hard work ahead. It is expected that he will appeal to Congress immediately for acceptance of the plan of the league of nations.

A conference which is scheduled with the various governors, on the subject of unemployment, will be another matter of importance.

The President also is scheduled to confer with political leaders regarding the organization of the next Congress.

Successors to Attorney General Gregory and Ambassador Sharpe to Paris are to be appointed.

A great mass of bills, including many appropriation measures and the revenue bill, are to be signed.

Many minor appointments have been deferred pending the President's return, and these he is expected to clear up quickly.

His chief public appearance will be when he heads a large parade of returned soldiers in Washington. He has promised to march with the fighting men immediately following his return.

STATE OF SIEGE IN BUCHAREST

FLIGHT OF ROYAL FAMILY PRECIPITATED BY EXPOSURE OF NEW PLOT AGAINST KING AND CROWN PRINCE

(Special Service to Glendale Evening News)

Copenhagen, Denmark, Feb. 15.—A state of siege has been proclaimed at Bucharest, where the Roumanian revolution is on, according to dispatches arriving today.

It is reported that the royal family fled the city following the exposure of a new plot against King Ferdinand and Crown Prince Carol.

TROOPS HOLD GAS AND ELECTRIC PLANTS

LORD MAYOR OF BELFAST CALLS FOR VOLUNTEERS TO OPERATE PUBLIC UTILITIES DURING STRIKE

(Special Service to Glendale Evening News)

Belfast, Ireland, Feb. 15.—Troops today occupied the electric power plant and gas works. The lord mayor issued a proclamation saying that as military support is now assured, the city will accept volunteers to operate public utilities.

Business has been at a standstill since the general strike was called in sympathy with the striking shipyard employes.

INDEMNITY AND DEMOBILIZATION

THE MAIN QUESTIONS OF A TEMPORARY PEACE TREATY WHICH PARIS CONFERENCE WILL TRY TO HASTEN

(Special Service to Glendale Evening News)

Paris, Feb. 15.—With the league of nations question settled, at least temporarily, the peace delegates now are directing their efforts toward hastening a preliminary peace with Germany which will enable the demobilization of Allied armies and the resumption of retarded industrial activities throughout the world.

An early signing of a temporary peace, with resumption of industrial activity, is expected to remove many causes of unrest in all countries. It is believed an early peace will do much to relieve the internal situation in Germany, which is now said to be dangerous on account of the shortage of food.

Semi-official sources say that German food stores now are sufficient to last until March 1.

An agreement on the question of the amount of the total indemnity Germany is to pay and the demobilization of the German army on a peace basis will be the two main points for a temporary peace.

COST OF WAR $179,000,000,000

(Special Service to Glendale Evening News)

Washington, Feb. 15.—Official figures today show that the total cost of the war to both sides to January 31 was $179,000,000,000.

The Central Powers spent $59,500,000 and the Allies the remainer.

Total expenditures to January 31 by the United States amounted to $18,451,000,000. England's outlay was the largest, amounting to $37,100,000,000. France came second and the United States third.

Of the large powers, Japan spent the least, its total war bill amounting to but $1,000,000,000.

DEMOBILIZATION IN U. S. COMPLETED

(Special Service to Glendale Evening News)

Washington, Feb. 15.—Chief of Staff General March announced today that a total of 1,131,703 men and 7,235 officers had been discharged from the army.

Three hundred and five thousand men have actually embarked for home from France, and 227,000 have reached the United States.

He revealed that the demobilization of forces which were encamped in this country when the armistice was signed had been practically completed.

BROADWAY HENDRICKS AFTER RECORD FEBRUARY

Broadway Hendricks, Glendale's department store merchant, is after a record-breaking February business this year and he is sparing no printers' ink to tell the world he has the stock, the prices and the place for you to buy. In two big ads in today's issue of The Glendale Evening News, this enterprising business man has slashed prices in all departments for Monday and Tuesday specials. One startling statement will interest the workingman. That is: "Overalls are coming down." It will pay readers to carefully study these announcements.

DR. SCOTT HONORED

APPOINTED BY GOV. STEPHENS DELEGATE TO CONGRESS FOR LEAGUE OF NATIONS

Rev. Charles H. Scott of this city is in receipt of an official appointment from Governor Stephens as a delegate to a Pacific Coast Congress for a League of Nations. The congress will include representatives from three states, California, Arizona and Nevada. Only about ten delegates have been named from Southern California. Glendale is, therefore, signally honored in being thus represented. It will meet in San Francisco February 19th and 20th. The committee on organization is made up of distinguished citizens of the three states named and it is evident the congress will be a gathering of importance. Mr. Scott does not yet know of what his duties will consist besides attendance, but he is preparing to obey the call.

RECREATIONAL CENTER

PLAN TO USE INTERMEDIATE SCHOOL CAMPUS AS PUBLIC PLAYGROUND

A conference to promote a movement of considerable importance to the community took place Thursday evening, when a committee representing the Epworth League of the First Methodist Church of Glendale appeared before the trustees of the Glendale City Schools, in session at the Intermediate School, and asked for the use of the Intermediate School grounds for the recreational use of adults before and after school hours, with the understanding that the League would be responsible for proper supervision while so used and for any necessary equipment.

The Board was very glad to grant the request on condition that it was to be an absolutely public, unrestricted proposition, open to all comers regardless of their affiliations with any organization, religious or otherwise. The public schools belong to the whole public which pays taxes to support them, and the Board made it clear that it could not encourage any restricted use of them.

Members of the League Committee, which consisted of Dr. C. R. Lusby, Henry Malone and Paul Brooks, with Dr. C. H. Scott an ex-officio member, explained that they proposed and desired to have this recreational center open to all and were willing to take the responsibility, the trouble and expense of supervising it.

It is the understanding that details of the plan are to be worked out by the committee and Superintendent Richardson D. White, who said in regard to it:

"Details have not yet been worked out. It is possible a lighting system will be put in to make possible the use of the grounds at night. It is to be a public recreation center open to everyone who behaves properly, but the young people of the Epworth League have expressed a willingness to supervise it.

"It is a good move. We do not provide very much for young adults in this town. When they once get out of High School, what does the town do for them? We are big enough to have a large recreation center owned and controlled by the city itself. I hope this will work out so well that it will open the eyes of the people to the need and that it may result in a general public movement for something bigger. That is what I am hoping for myself."

Relative to the plan which has been tentatively suggested to acquire property adjoining the High School campus for a park and recreation ground, Mr. White said:

"It is a good idea. It is something I would like to see put into effect. In our Union High School we have a magnificent plant, something we ought to be very proud of and make more use of."

ELUSIVE PENNANT

SUBURBAN LEAGUE FOOTBALL CHAMPIONSHIP LOOKS LIKE "AN ORPHANT ANNIE"

The most elusive thing in Southern California sportdom is the Suburban League Football pennant with Glendale, South Pasadena and Citrus Union High School at Azusa all claiming the championship and each one about as far from the other getting it.

Glendale lost to Citrus Union High yesterday afternoon by a score of 7-6; South Pasadena lost to Glendale a week ago, and Citrus Union lost to South Pasadena previously. This triad of would-be champs are now arguing whether or no and what is when where when is what. In other words, they don't now who is pennant winner and more games will likely result.

The local team has the edge on the affair, however, in matter of points, and Coach Hayhurst hopes to be able to put his team over as league leader in one way or another.

Yesterday's contest was somewhat of a sad affair. The home town team journeyed over to Azusa in the San Gabriel Valley, where Coach Downey has a trained pack of pigskin hounds that held their lines a-plenty strong throughout the fray.

In the first session, however, Tiny Tummell, Glendale's bounding quarterback, cleared the field for a long sprint and made the one and only touchdown on the local side. Wieman failed to negotiate goal.

Gallagher, the enemy's full-back, bumped over in the same quarter for a touchdown and Round kicked goal. For the remaining three quarters, Glendale struggled on and fought as the boys never fought for victory before, but all to no avail. Several auto loads of Glendalians saw the fray.

Following is the line-up of the two teams:

Glendale—		Citrus Union—
McMillan	L. E.	Keim
Moyse	L. T.	Hopper
Price	L. G.	Hall
H. McIver	C.	Clark
Wilde	R. G.	Benton
Richardson	R. T.	Gauldin
T. McIver	R. E.	Round
Tummell	Q.	O. Lanereau
Thompson	L. H.	D. Lanereau
Williams	R. H.	Bell
Wieman	F.	Gallagher

PACKER AT NANTES

HAS BEEN OVER CHATEAU THIERRY BATTLEFIELD AND HAD TRIP TO PARIS

Mrs. Stephen Packer reports that recent letters from her son, Lieut. Don Packer, who is in the Heavy Artillery, 53d Division, state that he has been at Nantes ever since the first of December. Nantes is about thirty miles inland and between it and the coast there are thousands of men. If they are taken in rotation, it will be some time before he gets back. He writes that he is in the best of health and that he has had a nice trip to Paris by way of Tours, returning via Troyes. He has been over part of the old battle field at Chateau Thierry and has seen quite a little of France. He tells of a singular coincidence in connection with the first letter from home which he received which did not get to him until he had been in France three months. It had been opened by mistake by a Lieutenant Donald J. Packer of the C. A. C., who is in the 18th Division, whereas Don is in the 53d. He has written asking where the other Donald came from.

Mrs. Packer has had a letter from her sister in Oak Park, Illinois, whose son, Leonard McGrath, saw service at the front and has been sent home. With considerable difficulty and opposition on the part of army authorities he succeeded in bringing home a dog born in the trenches occupied by one of the French regiments. The animal, who has been named "Beans" because of his fondness for that Boston standby, is just plain dog, but has nevertheless attracted much attention. His picture and story have appeared in the Chicago papers and he has a happy life in prospect. Leonard does not have much to say of his experiences. He says he wants to forget them, and the men who failed to get to the front should have no regrets.

BIRTHDAY DINNER

Mrs. James McBryde entertained at dinner Wednesday evening in celebration of her husband's birthday. Covers were laid for Mr. and Mrs. N. W. McBryde and Miss Curtis, and the host and hostess. The guest of honor was the recipient of some very nice birthday remembrances.

GLENDALE, CALIFORNIA, SATURDAY, FEBRUARY 15, 1919

COMMENT OF THE COUNTRYSIDE

Southern California hotels are crowded, declares a morning Los Angeles newspaper. Certainly, and they will be crowded still more if one or two large new hotels are not constructed in the near future. One of these new hotels ought to be built in the vicinity of Glendale.

Over at the Van Nuys High School, the ranchers of that section are going to school February 24 to March 15, 1919, and learn how to manipulate a tractor. The first week will be devoted to gas engine instruction, the second to tractor assembling, and the third to field operation. Applications for the school should be addressed to Nathan F. Smith, Principal, Van Nuys High School.

Seems strange how fast the boys in service are coming home to Glendale once again. Every day brings two or three from overseas and several more from within the homeland shore. The Greater Glendale Development Association is figuring on some sort of a home-coming for the boys. Why not a fair or a general celebration?

Today's Glendale Evening News carries a story in which a party of Glendalians are climbing Mount Milson in search of winter weather. Think of the Eastern people who are searching their homes in Chicago, Denver and Kansas City for an oil stove to furnish a little warmth.

From the character and quantity of display advertising, February is a busy month for Glendale merchants.

BOUNDARIES OF CALIFORNIA COUNTIES NOT IN ACCORDANCE WITH POLITICAL CODE

Changes in the boundary lines of many counties in the State will have to be made if the letter of the Political Code defining them is adhered to. This is the report issued today by Dr. Owen C. Coy, secretary and archivist of the California Historical Commission, at the University of California. One result of the discrepancy is that for nearly fifty years Ventura County has claimed territory approximately 550 square miles in width which, according to legislative enactment, should properly be under the jurisdiction of Los Angeles County. The territory now known as Colusa County bears only a slight resemblance to the original territory of that county as set down in the code.

As given in the Political Code, Los Angeles County is described as running from the southeast corner of Santa Barbara to the northern line of San Diego, with no allowance made for Ventura, on the one hand, and Orange, on the other. The Code as it now stands devotes one full section to the description of the boundaries of Klamath County, a county which was abolished nearly half a century ago and whose territory was divided between Humboldt and Siskiyou. The boundaries of the following counties, created since 1872, do not appear in the Code at all: Ventura, San Benito, Modoc, Orange, Glenn, Madera, Kings and Imperial, and the boundaries of the parent and adjoining counties have not been modified to show these alterations.

BAPTIST MISSIONARY MEETING

The regular monthly meeting of the Woman's Missionary Society of the Glendale Baptist Church was held at the home of Mrs. J. L. Gray of 533 North Isabel street, Thursday afternoon. About forty ladies were present. The special guests of the day were Dr. and Mrs. David Downie, returned missionaries, who for forty-five years were in Mettore, India. The doctor is 80 years of age and his wife, 70. Mrs. Downie made an excellent talk about conditions in India and their work there.

BRITAIN IS PLANNING WAR BRIDES' SCHOOLS

(By United Press)

LONDON, Jan. 31. (By Mail).—Schools for war brides and soldiers' fiancees are being planned by the demobilization department.

Domestic science, food chemistry, marketing, and care of children will be taught.

The government will pay all expenses of the pupils.

The schools will be open only to wives of soldiers and women engaged to marry soldiers. More than 400,000 young women are eligible, it is estimated.

Department officials explain the selves as social experiments by training women to be helpful wives. The schools are needed, it is believed, because thousands of young girls left their homes to work in munition factories at a time when they ordinarily would have begun to learn household duties.

Of 1,500,000 women who entered industry during the war, thousands now are jobless through the closing of munition factories. Hundreds are unable to find other employment because peace industries have not yet got into full swing. The schools are expected to give occupation to hundreds of women who otherwise would have nothing to do.

The wives' and financees' schools will be established in scores of cities which became munition centers during the war.

LOOK OUT FOR CHANGES IN CONSULAR SERVICE

(By United Press)

PARIS, Jan. 29. (By Mail)—President Wilson is getting a great "close-up" on a portion of his diplomatic service abroad. And it might be said that some of the negatives on the pictures aren't altogether satisfactory. It has been the President's first opportunity to see what some of the embassy and consular officials actually amount to in active service—and if the experiences of the Presidential party entour and in Paris are to be taken as any criterion, there will be shake-ups on this side of the water.

It is no secret that to have something done promptly in the way of having passports arranged and so forth, the British have it all over the American officials in Europe. The British have a way of slashing red tape which, up to the present at least, seems a lost art so far as the American officials here are concerned.

Personals

Miss Ruth J. Wright of 451 Ruth street is spending the week-end with her sister, Mrs. John R. Alston, of Fourth avenue, Long Beach.

Mrs. I. N. East of Jackson street is entertaining Sunday with a family dinner party at which covers will be laid for ten.

Doty L. Anderson of 126 North Louise is enjoying a brief vacation from his duties as telephone operator in the office of the Independent Taxi Service at 109 East Broadway.

Miss Gertrude Champlain, the well known pianist of Glendale, will have charge of the musical program at St. Mark's Sunday School social, this evening.

Tonight there is a masked ball for B. P. O. E.'s at the Glendale Elks' Club House. Attendance will be limited to members an dtheir families.

Dr. and Mrs. Roy V. Hogue and Benjy motored to Victorville today, going via San Bernardina, where they visited the Orange Show. They will return tomorrow.

Mrs. Mary Rhea, of South Maryland avenue, has returned from Yuma, where she visited old friends. She was gone for about fifteen days and enjoyed beautiful, warm weather all the time she was away, except the last day, when there was a wind storm.

Mrs. W. O. Maloney of Tulsa, Oklahoma, was a visitor in Glendale today. She came here with an invalid husband, occupying the Ambrosini cottage on Jackson street for several weeks, later going to Long Beach where Mr. Maloney died. She is leaving next week for her Oklahoma home. Two of her sons who entered the army have been discharged from service, a third is still in France.

Mr. and Mrs. Earl E. Hitchcock and daughter, Elizabeth, of 309 W. Colorado street, have moved to 1462 Oak Grove avenue, Eagle Rock. Mr. Hitchcock is principal of a Los Angeles High School and is making the change to secure more perfect street car connections with his school, also to get a larger house. Mr. and Mrs. Hitchcock leave Glendale with great regret as they have many valued friends here.

BUSINESS IS BRISK

J. F. Chandler, the real estate man, is doing his share in locating the newcomers and providing homes for those renters who suddenly find themselves adrift owing to the brisk movement in real estate that is prevailing just now. Emil Busch, wife and daughter, new arrivals here, have just been located at 415 Patterson avenue while W. Boyd and family who have just come from Illinois are living on Chestnut street. Mrs. Katherine Bennett, who was forced to move because the house on West Doran, where she was living has been sold, has rented Mr. Chandler's own house on Orange Grove avenue and Oscar L. Whitaker, who was also sold out of a home, is now located in property belonging to Mr. Morehouse at 707 East Colorado.

CAPTAIN BOUCHER RETURNS

Captain Boucher of 527 Burchett street, who has been head surgeon in charge of the naval base hospital at San Diego for two years, has received his honorable discharge and returned to his home in this city Friday night. During his stay there he had 8000 boys under his care and a tremendous amount of responsibility. He is naturally very tired and will rest before resuming his private practice. He will shortly visit his father in Kingman, Arizona, where he had an extensive practice when he entered the service. He has been on the naval reserve list for a number of years and has served in Japan and Honolulu.

RELATIVES FROM IOWA

Mrs. George W. Tyrrell of 436 Ruth street is having great pleasure in the entertainment of relatives from Council Bluffs, Iowa, viz., her parents, Mr. and Mrs. William Vrooman, her brother and his wife, Mr. and Mrs. Charles Vrooman, and still another brother, Robert Vrooman. They came west by way of Tacoma, Washington, and from there went to Albany, Oregon, then to Southern California. The brothers, who are familiar with the automobile business, are planning to locate in Glendale or Los Angeles. Mr. and Mrs. William Vrooman will return to Iowa about the first of April and will come west again later in the season.

MASONIC NOTICE

Unity Lodge No. 368, F. & A. M., will confer the third degree Saturday evening, February 15, commencing at 7 o'clock. A large delegation from Los Angeles will be present. A buffet luncheon will be served. Visiting Masons are invited.

ARE YOU

Looking ahead? If so, better talk to me. I am selling food, clothing and shelter, for future delivery. I am contracting to pay off the mortgage, educate the children, pay the taxes and prevent the gnawing agony of debt, doubt and despair that so often comes to the household when the breadwinner has been called away.

I am selling sunshine and happiness, and freedom from want and worry. I am contracting to make boys and girls worthy members of this community and a source of joy and pride to their widowed mother. I am selling a guaranty that they will have an even chance with others in the contest for place, when the serious concerns of life are undertaken.

CHAPTER L MEETS

A very pleasant P. E. O. day was enjoyed by members of Chapter L when they met at the home of Mrs. A. W. Tower for their regular all-day meeting.

Owing to the serious illness of her husband, Mrs. Wagner, the State Organizer, was unable to be present. While this was a disappointment to Chapter members, the day was very pleasantly spent.

At noon a two-course luncheon was served by Mesdames Tower, Huntley, Ramsey and Neel. In the afternoon a delightful program was given which included an interesting paper on patriotic music by Mrs. Fern Roberts. Two numbers were very sweetly sung by Miss Margaret Lusby, for which Miss Waunita Emery furnished the piano accompaniment.

Guests for the day were Mrs. Eva Cunningham, Mrs. E. Tholen and Mrs. Josephine Byrkit.

A SCHOOL OF MISSIONS

A new departure in the method of teaching missions in the church will be employed by the Christian Church of this city. The usual method has been by mission study classes meeting on week nights or afternoons and enlisted only the women of the church. This church will enlist all members of both Bible School and Church in six separate classes meeting at 6:30 Sunday nights for eight weeks. Classes for men, women, young people, intermediates, juniors and primary children will be started tomorrow night. This will be a school with specialists as teachers, with well selected text-books. Each evening one of the classes will dramatize some special part of their study as a part of the evening church service. It is expected that at least 100 persons will enroll tomorrow night.

PROMINENT BAPTIST MINISTER FROM EAST WILL PREACH IN GLENDALE

Rev. P. L. Powell, D. D., of Hamilton, N. Y., will preach at both morning and evening services at the First Baptist Church tomorrow.

Dr. Powell is one of the most prominent ministers in the State of New York. After an exceedingly successful pastorate with the First Baptist Church of Hamilton he was called to the chair of homiletics, Colgate University, which position he now occupies.

He is spending a few months in Southern California and the First Baptist Church feels that it is very fortunate in securing this distinguished preacher to fill the pulpit on Sunday.

PALACE GRAND OFFERINGS

The offering this afternoon and evening at the Palace Grand Theater is unusually attractive. It provides two good comedy pictures, the first, "Here Comes the Bride," featuring the celebrated comedian, John Barrymore, and the second, "Camping Out," in which the central figure is the irresistable "Fatty" Arbuckle. Everyone who wants to banish dull care should take in this program.

Sunday, Anita Stewart will be shown in an excellent screen dramatization of Owen Johnson's powerful novel, "Virtuous Wives," with a cast which includes five stars. There will also be an excellent comedy.

Monday one of the successes of the celebrated playwright, George Broadhurst "Today" in which Florence Reed is featured, will be on the screen, also the latest Pathe news of events in Europe.

GET TOGETHER DINNER

The get-together dinner at the West Glendale M. E. Church Friday night in honor of the pastor, Alfred Cookman, and his family, was a great social success and did much to promote acquaintance between new and old members. It was served at 7 p. m. by ladies of the church and was accompanied by a musical program furnished by the Sunday School Orchestra with solos on cornet and violin by Frederick Wilson and Mr. Apert, of Los Angeles. Ferns were used in decoration and red hearts suggesting the valentine idea furnished a gay note of color. Covers were laid for about 125 and the dinner was followed by an evening of informal sociability.

VALENTINE LUNCHEON

Mrs. Warren Stevenson, of 330 West Wilson avenue, entertained with a three-course luncheon on St. Valentine's Day in honor of her mother, Mrs. Minerva Whitehead, of Hepler, Kansas, and Mrs. Martha Miller, of Walnut, Kansas. The rooms in the Stevenson home were beautifully decorated in honor of St. Valentine, and the occasion was made more joyous by the receipt, just before the luncheon was served, of a telegram from Mrs. Stevenson's son, Earl, who had just arrived in Brooklyn, N. Y., from overseas. This being the first news his parents had received from him since the 17th day of November, it made the gathering one of great joy to the hostess and her guests.

Those present were all old friends from "back home," and besides the hostess and honorees the list included Mesdames Etta Singleton, Mary Holman, Maggie Stevenson, Hazel Cleveland, Queen Danner, Mary Chadwick, Miss Florence Chadwick, all of Glendale, and Mrs. Bertha Best, of Eagle Rock.

Mrs. Miller is returning to Walnut in a few days, after spending almost three months in Glendale in the home of her granddaughter, but Mrs. Whitehead expects to stay at least a year and may continue her visit indefinitely.

ST. VALENTINE DANCE

The valentine dance at the Pearl Keller School on Brand boulevard was a big affair. One hundred and fifty young people, many of them students at Glendale Union High, occupied the floor and danced with enthusiasm to the fine music furnished by the Bush Orchestra of Los Angeles. The hall was beautifully decorated with scarlet carnations and red hearts, a gay color scheme highly effective against the neutral wall tints. St. Valentine also had a post-office for the distribution of love missives. To stimulate the ambition of her pupils to dance the waltz correctly, that being the one standard dance, and a dance which is often very imperfectly performed in pose as well as in step, Mrs. Keller offered a prize of $5 for the two most perfect dancers. This prize was won by Harriet Cook and Bob McCourt, Mr. Caldares, an exhibition dancer and teacher of Los Angeles, acting as judge and making the award. All agreed that the waltz was beautifully interpreted by these young people, who are fine dancers.

The next dance at the Keller School will take place February 22d.

APPRECIATION

PACIFIC AVENUE P.-T. A.

A most inspiring patriotic meeting was held by the Pacific Ave. Parent-Teacher Association Thursday afternoon. Feb. 13th.

A large crowd gathered to witness the program which had been carefully prepared to stimulate the occasion.

Owing to the absence of the president, Mrs. Frank Ayars, an unanimous vote placed the honor of filling the vacant chair upon Mrs. Minnette Sherman, who conducted the meeting with much grace and dignity.

A tribute was paid to the memory of George Washington, Abraham Lincoln and Theodore Roosevelt by Mesdames W. E. Halstead, A. S. Chase and J. Meagher. Mrs. P. O. Lucas read from President Wilson's recent writings some of the terms which are at present of vast importance in solving the world's problems.

Little Miss Marie Hearnshaw sang two delightful songs, being accompanied on the piano by her mother, Mrs. J. F. Hearnshaw. A splendid account of the "Patriotic Customs" in different countries was read by Mrs. O. E. von Oven.

Rev. E. H. Willisford gave an interesting talk on his experiences at the front, exhibiting a souvenir of the war to demonstrate the brutality of the Hun.

Mrs. Kurtz, Federation Chairman of Legislation, read several papers on Legislative measures of educational and social interest, after which light refreshments were served to the enthusiastic audience.

N. P. BANKS POST AND CORPS

The N. P. Banks Post and Corps, G. A. R., has received an invitation to attend services at the West Glendale M. E. Church, February 16th. A large representation of the membership is desired.

Friday, February 28th, there will be an all-day meeting of Post and Corps at G. A. R. Hall, which will be a swap package party, each guest being expected to bring a package of something valued at not less than ten cents.

A WORTHY TRIBUTE

A remarkably interesting letter from one of our young soldier heroes, who took part in many of the greatest battles of the "World War," in which American troops participated, including the St. Mihiel Drive and the famous battle of the Argonne, and who now is with the Army of Occupation at Coblenz, Germany, has been received by F. S. Albertson, of the Albertson Motor Company, Los Angeles dealer in Dodge Brothers' motor cars, from Sergeant Harrison W. Jacobs, a Los Angeles boy of C. Co., 322d Field Signal Battalion, A. E. F., at Coblenz, Germany, dated Jan. 12, 1919, and which, in part, reads as follows:

"Just a hello and how are you? from one of your former noise makers. Seeing your advertisement in a Los Angeles paper that has just reached me, prompts this as an ink bouquet for the wonderful car you are handling.

"If ever a motor car deserved a 'Croix de Guerre' or a 'D. S. M.,' it is the Dodge Brothers car used by the 322d Field Signal Battalion during the late unpleasantness with the would be 'Supermen.'

"This Dodge car was turned over to us last June, after having already been driven several thousand miles, and accompanied us through the second battle of the Marne, from Chateau-Thierry to the River Vesle; there receiving the honor of a personal barrage, on the road between Fere-en-Tardenois and Beauvardes, but it escaped with nothing worse than a few shrapnel holes in the fenders.

"When we were relieved and sent to the Toul sector to participate in the St. Mihiel Drive, it went with us, and during the drive when the advance was too swift for ordinary communications, our Dodge car was used to lay telephone wires across what an hour before had been No-Man's Land; going over the muddy and shell-torn terrain like a young tank.

"In the battle of the Argonne this same car followed the advancing lines as closely as conditions would permit, running twenty-four hours a day carrying the officer who was directing the operations of the outpost company of our outfit.

"And like a good soldier it 'carried on' in the Meuse during the final days of the war, when the advance was so swift that our Dodge car was used to carry rations and equipment forward to the lines, and the day the armistice was signed it was in sight of Sedan.

"Our faithful Dodge is now running over hills and rotten roads around Coblenz, on duty for the Army of Occupation, and in spite of its use and rough treatment, being gassed and sniped at with 'whiz-bangs,' it still runs just as sweetly as though it was a new car demonstrating out Wilshire boulevard. Even the famous 'Death Valley Dodge' cannot boast of the reputation of our Dodge car.

"It seems very much as though we are doomed to stay here until spring but even though it delays our home coming, we are good enough soldiers to be able to grin and bear it until our moving orders come."

No more worthy tribute has ever been or could ever be paid a motor car than this soldier boy has paid a Dodge Brothers' motor car, states Mr. George E. Clayton, associate dealer, in Dodge Brothers' cars at 143 South Brand Blvd.

We are very proud of the part Dodge Brothers' motor cars rendered in the great cause and feel that a great honor was paid them when the government selected it as the exclusive official five-passenger car and put Dodge Brothers' motor cars into service, literally, by the thousands.

It has been an honor and likewise a privilege given Dodge Brothers which has been fully justified by the cars marvelous performance under the most exacting and harrowing conditions that an automobile has ever been subjected.

MELBOURNE, Australia, Dec. 18. (By Mail).—Australian postal rates have been increased one cent on all letters and letter-cards addressed to places outside the commonwealth, and post cards and newspapers exceeding 2 ounces in weight addressed to the United States, the British Empire, New Hebrides, Bankes and Torres Islands.

WHEN HE COMES HOME—there should be a new Portrait to record the event. We will make such pictures free of charge to every sailor or soldier; tell your friends there is no limit. All are welcome. Bring the uniform. No obligations to order photos. You get one free, and we keep one for a large group to be finished when all are back home.
